Who are we?

The Senior Parent Booster committee operates as part of the Mt. View High School Parent Association. The parent committee conducts fundraisers throughout the year to organize a drug-free, alcohol-free celebration for our graduating seniors. The committee also assists with the Baccalaureate activities.

What we've been up to ...

A few parents representing the Class of 2020 began by supporting the outgoing senior class Baccalaureate and Grad Party Bag n' Tag activities. Through word of mouth, additional parents joined and meetings were held to formalize Booster President, Treasurer and Secretary roles. After meeting with the 2019 booster committee members, the MVHS tradition of a Senior T-Shirt and the best ever Grad Party became the focus. Committee meetings and brainstorming sessions were held for fundraiser ideas. We're happy to say, we've outfitted over 240 students with a Senior T-Shirt. The proceeds have been used for the down payment of the top secret graduation venue! A restaurant fundraiser night was held at MOD Pizza on September 4, and a 50/50 raffle at the home football game on September 13. We hope you were able to participate, as 20% of the restaurant purchases are donated to our Senior Grad Party. Look for the next restaurant night at in October. The next 50/50 raffles are at the home football games on September 27, October 4, and 25. If you work for or own a business that can contribute, let us know as your support is appreciated.

The poinsettia sale is in the works, bringing a variety of festive plants shortly after Thanksgiving. Watch for the pre-order information coming soon.

We continue to search for someone knowledgeable about websites. We need the IT support immediately.

Are you a crafty person? A November holiday bazaar is planned and would love for you to donate any of your homemade crafts.

As you can see, there are many ways in which parents and students can contribute. The end goal is to organize a fun, memorable, and safe way to have that last big celebration with all of the senior class.

Please consider joining us and volunteering your time. Thank you!
